9TH ANNUAL SPRING RECITAL

JUNE 18, 2022 | 1PM

CROSSLAND HIGH SCHOOL AUDITORIUM

A Note From The Director

Nine Years! ~ What a blessing this is.

This year was our “bounceback season” from the nightmare of the year 2020. This year we were back in the studio full time with normal-ish regular classes, normal competition seasons and more. Our staff and instructors gave their absolute best to make sure that each dancer was able to effectively dance their way back to something new or something that felt normal to them at some point and time.

At Five678, we do this TOGETHER. And I am so proud of our dance community for striving to keep the beat no matter what. Your patience, grace and flexibility does not go unnoticed.

Audience you are in for a treat. This is our first Spring Recital in an auditorium since 2019 and we are excited to share with you the hard work that we have put in this season.... Still dancing through a pandemic and a mask (these kids are tough).

I thank you for your support in this black woman owned small business! This place is special and it would not still be here 9 years later without its strong support system continuously being “Mighty in Lime.

From the bottom of my heart to my dancing feet. I sincerely appreciate you. Enjoy the show!

With Love,

Chavall Solomon
